DAILY DEMOCRAT-FORUM

NEWS DISPATCHES FROM THE INTERNATIONAL NEWS SERVICE.

VOLUME 7. MARYVILLE, MISSOURI, TUESDAY, APR. 24, 1917. NO. 278.

DEVELOP PLANS FOR BABY WEEK

FROGRAMS BEING PREPARED FOR EACH DAY, MAY 1 TO 6.

BEGINS SATURDAY WITH FLAG DAY

Clinics Will Be held Two Afternoons in the Week in Charge of City Physicians.

How Maryville can be made the best possible place for the best possible children to live in, is the topic the committee in charge of the city's part in the Nation-wide Baby Week campaign May 1 to 6, has uppermost in its mind and expects the community to do likewise.

With the hope that the movement will receive the public spirited cooperation it deserves, programs are being prepared that will be of concern to everyone interested in what a community can do to protect its children.

Baby Will Rule Week.

Beginning Saturday which will be "Flag Day," and continuing until the following Saturday, "His Highness,"—the Baby, will be given the place of honor.

Two important clinics or demonstrations will be held probably Thursday and Friday afternoons, May 3 and 4, at the First Methodist church. These meetings will be in charge of the city's physicians and health lectures and demonstrations of the correct dressing, feeding and care of infants will be conducted. This part of the week's work is in charge of Dr. Karl Mallotte, Mrs. G. H. Colbert, Mrs. Vilas Martin and Mrs. Lewis White.

"A Baby Service" will be held on the Sunday morning preceding "Baby Week," when all the ministers in the city will take for their sermon subjects some phase of child welfare.

Babies to Receive Flags.

On flag day, the children of the ward schools will present an American flag to each home where there is a child under school age, or less than six years old. The flags for this purpose have been given by Harvey L. Haines. The committee has obtained through the school children a list of the homes where there are children less than six years abiding, and in homes where there is no school representation the parents are asked to telephone Miss Kate Schenck, who will see that the child's name and address is given in and a flag presented.

Students in Essay Contest.

Two contests which will call forth the best efforts of mothers and children have been arranged and they will be a profitable part of the week's work. One will be an essay contest on "The Care of the Baby," written by a school girl or boy. There is no limitation put on this and all students are eligible to participate. There will be no prize but honorable mention will be made of the best and the essay will be published.

The second contest is for mothers and will be on the subject, "Better Mothers." This is to be arranged by a number of the city physicians and the details will be given with the completed program which will probably be announced tomorrow.

All merchants in the city have heartily responded to the appeal made by the club women that they decorate their windows and places of business in honor of "Baby Week." This with the city Clean Up campaign instituted this week will make the city a place of beauty and fit habitant for his infant lordship.

Baby Week as a nation-wide movement had its start in 1916 under the direction of the Children's Welfare bureau at Washington. About 2,300 cities and communities responded with a part in the work. This year it is expected the observance will be universal.

J. R. FORD IS BURIED

Services at Residence This Afternoon, the Rev. C. E. Miller Officiating Quartet Furnishes Music.

The funeral of J. R. Ford, who died at his home in Maryville after four weeks' illness, was held at the residence at 2:30 o'clock this afternoon. The Rev. C. Emerson Miller, pastor of the Christian church, officiated. A quartet, consisting of H. J. Becker, Mrs. Fred Robinson, Mrs. J. D. Richey and W. E. Goforth, sang many beautiful selections. Burial was at Oak Hill cemetery.

The pall bearers were: J. R. Brink, J. E. Dickerson, W. C. Frank, G. B. Baker, George Wilfley and Warren Jones.

FOR BUSINESS GIRLS

WILL HAVE OPEN HOUSE FOR THE PUBLIC MONDAY NIGHT.

WANT PERMANENT CLUB

Will Give Exhibition of Drill Work and Informal Program — the Patronesses to Assist.

The Business Girls' Club, an organization started at the time of the Scoville revival last fall will hold an open meeting next Monday evening at the High school gymnasium for the purpose of showing the public the great progress made by the club since it began.

No formal invitation will be given to the affair, but personal invitations will be extended by the members to their friends and by the newspapers to the public.

On Monday evening the regular program of the club will be given by the members. The Bible study which is a regular feature of the meetings will be dispensed with, but the gymnasium class will give an exhibition under the direction of Miss Nelle Hudson, who has had the class in charge since the beginning of the club work.

The patronesses of the organization will assist in the reception of the guests and will also take part in the informal program which will be arranged. The patronesses are: Mrs. L. E. White, Mrs. I. E. Tullock, Mrs. R. S. Braniger, Mrs. J. B. Robinson and Mrs. S. G. Gillam.

While the Business Girls' Club has not shown a wonderful increase in numbers since its organization by Mrs. Charles Reign Scoville last October, at the same time it has held up well, averaging from thirty to forty members present at each meeting. The members have also displayed such interest in the work that the need of a permanent organization is keenly felt by those who realize that the club is far past the experiment age.

The club at present has only two officers, a treasurer, Miss Nora Ritze, and a chairman, Miss Bess Porter.

If the club becomes a permanent organization in Maryville plans for the establishment of a summer camp for business girls will be formulated by the leaders in the club. It is also planned to have a business girls' picnic some time next summer.

To Drive Against Russia.

Special to Democrat-Forum.

London, April 24.—All indications today were that Germany has opened her spring campaign against the Russians. Experts predict that Hindenburg will launch a combined sea and air attack in a gigantic effort to cut off the Russian armies from Petrograd.

Miss Ida Barton went to Mound City for a weeks' visit at the country home of Mr. and Mrs. G. L. Jackson.

Mr. and Mrs. Harry Todd went to St. Joseph today on business.

Those who will have rooms

For Track Meet Visitors Call 143

Tomorrow between 9 and 12 a. m.

CITY CLEAN-UP DAY

ALL HOME OWNERS PREPARING FOR CAMPAIGN TOMORROW.

SCHOOL CHILDREN START

Washington School Yard Cleaned by Students This Afternoon — Drays Start Early.

All of the home owners are busy today getting ready for the Clean Up campaign tomorrow. Already the sacks and boxes of cans and rubbish may be seen decorating the parkways of the east and west streets in anticipation of an early call by the dray men.

The schools are the first to line up, as usual. At Washington school a 45-minute recess was given in order to clean up the school yard. The students were divided into bands and each band was given a section of the school ward to clean. The band that did the neatest job was awarded a prize.

Tomorrow the ward schools will adopt the same plan and the school yards will be thoroughly cleaned as a result of the Clean Up campaign.

Remember to place the cans and debris in sacks and other retainers and to place it in the parkways of the east and west streets. And remember to be early with your packages because in the campaign tomorrow, the policy of "first come first served" will be used.

The lieutenants will be at work early tomorrow directing the work of the dray men and urging the cleaning up of unsightly spots. The wagons will be marked with a sign, "Clean Up Wagon," and the collections will be made on the east and west streets only. And remember, it is the only day in the year when the collection will be made free.

AN INTER-CLASS MEET

Freshman Challenge to Other Normal School Classes Results in Track Events Monday Afternoon.

An inter-class track meet for the Normal classes will be held Monday afternoon on the Normal athletic field. The object, of course will be to bring out all material in the school for the Normal track team.

The meet came as a result of an offer by the Freshman class to meet any other class or all the other classes combined in a track meet similar to the one to be held here next Saturday. The other classes accepted the challenge and Director of Athletics Walter Hanson accordingly arranged for the meet.

The following events will be on the program:

100-yard dash, 220-yard dash, 440-yard dash, half-mile run, mile run, 120-yard high hurdles ,220-yard low hurdles, pole vault, high jump, running broad jump, discus throw, shot-put, and relay. Officials will be appointed, and the meet will be carried on just like the big one Saturday.

The Normal track team is working out every day in preparation for the inter-collegiate meet which will be held at Liberty. Chauncey Saville, who is rated as the best distance runner in the conference, was unanimously elected captain at a meeting of the squad yesterday afternoon.

On Inspection Trip.

The county court will start tomorrow on their inspection trip of the roads and bridges of the various townships. The court will be accompanied by the township board of each township they visit.

Tried for Insanity.

The county court in a special session this morning tried Nellie Bannister of Guilford, her brother having issued a complaint that she was insane. The court decided to have the girl treated by County Physician Frank Wallis, and she will be kept in the county jail.

Elbert Shupe and Hal Hooker left yesterday for St. Joseph to attend the Aberdeen-Angus cattle sale and the banquet last night.

Misses Blanche Erickson and Thelma Eaton, Normal students, spent the week-end with Miss Grace Tebow, east of Maryville.

The Guilford school board will meet Saturday evening April 28, to consider applications for teachers for the four rooms of the school.

FARMER MUST AID

EXPERTS URGE CO-OPERATION AT GARDNER'S FOOD CONFERENCE.

C. D. BELLOWS ATTENDS

Experts Speak on Missouri's Ability to Help Win the War by Increasing Cultivation and Production.

How to raise more livestock, corn, beans, forage, potatoes and all kinds of vegetables and food products and how to distribute them were topics of discussion at the farm conference called at Jefferson City yesterday by Governor Gardner. C. D. Bellows of the State Board of Agriculture was the Maryville delegate to the conference.

Governor Gardner opened the conference, held in the house chamber of the new capitol, by appealing to farmers throughout the state to do their utmost to increase cultivation and producion.

"If this great war is to be won, it must be won on the backs of the American farmer," the governor declared. "And if the farmer is to work out the nation's salvation, he must be supplied with money for seed, equipment and labor. The patriotic bankers of Missouri must find some way by which this can be done for the farmer of the state."

The conference adopted resolutions urging congress to make effective the recommendation of the secretary of agriculture that the council of national defense be given authority to fix maximum and minimum prices for food and to prohibit speculation in food products.

After a heated debate, the conference adopted a resolution indorsing the plan to forbid the use of corn and other food products for the manufacture of intoxicants during the duration of the war.

Prohibition Opposed.

Efforts to have a resolution favoring absolute prohibition failed before a committee on the floor. A compromise resolution was adopted which contended that injection of the question of prohibition in the meeting would destroy its effectiveness and asked that the issue be not considered.

Another resolution asked for the Missouri council of defense to co-operate with the national defense council. Farmers were urged to increase their acreage and bankers were urged to loan money to dependent farmers.

Gardner to Decide.

It was left to Gov. Gardner to say how many he would name on the defense council. Tonight he said that he would probably appoint seven and announced that F. B. Mumford, dean

(Continued on Page 2.)

ALL SET FOR TRACK MEET

Preparations to Accommodate Crowds Are Being Completed Rapidly— Two More Schools Enter.

Two more entries for the track meet were received this morning. The schools entering were Plattsburg and Cainesville, neither of whom were in the meet last year. The list of entries now totals twenty-three schools, of which nine were not entered last year.

Preparations for the meet are going on rapidly. Prof. Walter Hanson is making the program so as to run off the meet in the shortest possible time and the least possible inconvenience to spectators and participants. One of Prof. Colbert's classes will measure the field and mark off the lanes. An elaborate policing system will be installed to guard against accident and disorder. The Fourth Regiment band will furnish the music during the afternoon.

A feature which will be seen for the first time this year will be a system of decoration devised by Mr. Hanson. He has written to each of the schools entered, asking for the colors of the school, and upon receipt of the information will have pennants made in the colors of each school. The pennants will then be used to decorate the grandstand.

It is also Mr. Hanson's intention to install some sort of a checking system for the contestants. Last year there was some complaint over lost articles, and Mr. Hanson desires to avoid it this year.

The hurdle races, the prettiest of the meet, will be made still more attractive by painting the hurdles white.

—Donnell in St. Louis Globe Democrat.

A NEW WAREHOUSE

LIPPMAN AND KUCHS WILL ERECT A $10,000 STRUCTURE.

LEASED TO TOWNSENDS

Building Will Be Located in the Rear of Their Wholesale House—Will Be Absolutely Fire Proof.

Adolph Lippman and Richard Kuchs will begin work tomorrow on a $10,000 warehouse to be built on the lots behind the building in which the Townsend Wholesale house is located. The Townsend Wholesale Grocery Company has leased this building for five years from the date of completion and will use it to store flour and sugar.

The building will be 88 feet long and 66 feet wide, and will have about 5,500 feet of floor space. It will be built of fire-resistant material, consisting of bricks and heavy hollow tile. The roof will be constructed of composition material, mostly of gravel. No wood will be used excepting for the joists in the roof. The floor will be of concrete and the doors and window casings will be of metal. The windows will be of wired glass.

Mr. Lippman has charge of all of the work excepting the brick work, the contract for which has been let to Frank Reynolds. When finished the building will be the most complete of its kind in Maryville.

The building of a warehouse is a new departure in the building line for Mr. Lippman, who for the last year has been specializing in the making of ideal homes for renters.

ELECT SKIDMORE TEACHERS

Prof. E. R. Adams Heads High School Again — One New Teacher Chosen.

The Skidmore school board at the regular meeting last night elected the teachers for next year. Prof. E. R. Adams, Skidmore; Miss Beatrice Sewell, Maryville and Miss Louise Cowan, Marshall, were elected teachers in the High school.

In the seventh and eighth grades Miss Lena B. Newland, New Hampton, who is a new teacher; in the fifth and sixth grades Miss Lenola Mitchell, Skidmore; in the third and fourth gades, Miss Maude Linville, Skidmore, and in the first and second grades Miss Ethel Porter, Skidmore.

The directors on the school board are: Frank Barrett, J. W. Rodman, J. O. Miller, M. A. Sewell, J. W. Weddle and William Howden.

"Snow White Coming."

"Snow White," one of the most popular photoplays in which Marguerite Clark stars, will be given at the Empire Theatre May 1, under the auspices of the Ladies Aid of the Christian church.

NEW ARRAS BATTLE

TERRIBLE LOSS OF LIFE INFLICTED ON GERMANS YESTERDAY.

THE BRITISH SUFFER, TOO

Take Towns of Beauchamp and Villiers in Fierce Engagement— Win on the East Front.

Special to The Democrat-Forum.

London, April 24.—A terrible loss of life was inflicted upon the Germans in the first day of the new battle which developed on the Arras front yesterday. Dispatches from the front say that the British made a grand assault between Lens and Trescault and trampled innumerable corpses in their charges. The British didn't escape lightly as in the first week's fight east of Arras. On both sides of the Scarpe river there was intense activity during the night.

Capture Two Villages.

London, April 24.—After repulsing the strong German counter attacks, the British again surged forward on the wide front last night capturing more villages and driving the Germans from Beauchamp and Villiers. The war office announced today that both places were occupied by the British.

Artillery Battles Frequent.

Paris April 24.—Violent artillery battles are taking place along the French front. In Champaigne there has been much grenade fighting.

British on East Front.

London, April 24.—The British Northwest of Bagdad are now driving upon the important city of Samarra defended by a strong Turkish garrison.

WILSON SIGNS FINANCE BILL

CREATES BIGGEST WAR CHEST IN HISTORY BY ACT TODAY.

CONGRESS WON'T PASS CONSCRIPTION BILL

Champ Clark Declares That Measure Will Never Get By Both Houses —Considered Disgraceful.

Special to The Democrat-Forum.

Washington, April 24.—The president created the biggest war chest in history today when he attached his signature to the bill which authorizes the raising of seven billion dollars to defray the American expense of entering the world war. No formalities attended the action and no one was present.

The flat declaration that Congress will not enact the selective conscription bill was made today by Speaker Champ Clark to a delegation from the National Security League, which called at his office to urge military training.

"What you men want is conscription," he said, "and it's not going to pass. Why, you want to fasten disgrace of drafting on a man when he wants to enlist voluntarily. The war department is trying to bulldoze the people but it will not be able to do it."

Washington, April 24.—The final vote on the passage of the army conscription bill will be taken by the senate and house sometime after the two houses assemble Thursday, according to present indications. Its passage in the form desired by the president was assured by the state department this morning.

The French commission have arrived safe on this continent according to an announcement made by the state department today. Admiral Joffre, and Premier Viviani are heading the commission.

French Commission to Washington.

Washington, April 24.—The French mission will arrive in Washington tomorrow morning it was officially announced this afternoon.

PRUSSIAN U-BOAT CAPTURED!

Special to The Democrat-Forum.

New York, April 24.—The New York Herald prints this morning a dispatch from Virginia which says that the Prussian submarine U-36 was caught in a net and is now on the way to the New York Navy yards.

Report is "Absurd."

Washington, April 24.—The navy department officials characterized as "absurd," the report that an American battleship captured a submarine.

FARMER MUST AID

(Continued from Page 1.)

of the state agricultural college, would be chairman.

The resolution, besides providing for the council of defense, urged these points in the Missouri food campaign:

The cultivation of every available plot of ground and its use for growing vegetables and garden truck.

The principle of universal selective service, that the army and navy may have men, the industries, workers and the farms the labor necessary for maximum production.

Ask Federal Control.

The federal control of foodstuffs and the prohibition of speculation in food products.

The elimination of every source of waste in the home, so that no foodstuffs shall be uselessly taken from the world's supply while every effort is being made to increase production.

The co-operation of every organization and individual in the campaign.

The formation of local companies of able bodied boys under military age so that, at the call of the council, they may be ready for assignments to aid in food production.

Professor Henry G. Bell of the National Fertilizer association, addressed the conference on the fertilizer situation.

"Missouri is capable," he said, "of rendering great service to the nation by increasing her normal yield of 200,000,000 bushels of corn, 30,000,000 bushels of wheat and 8,000,000 bushels of potatoes. The problem calls not only for increased acreage, but for increased yield on every acre.

"Let me urge attention to maintaining the fertility of the soil in food production and to supplying the growing crops with plant food. Make the best use of all farm manures and green cover crops. If Missouri yields are increased five or ten bushels an acre, the results will be millions of bushels more of corn and wheat for war needs."

To Represent Missouri.

Jefferson City, April 24.—Governor Gardner has appointed L. B. Mumford, dean of the agricultural college of the State University to represent Missouri in the National Trade conference at Washington.

Lowers Mr. Richey's Assessment.

The county board of appeals in session late yesterday afternoon lowered the assessment of John D. Richey from $1,400 to $1,000.

Playlet Given at H. S.

At the High School assembly this morning "The Country School," a delightful playlet, was given by the advanced senior class.

Mrs. Fred Norris and little son, Teddy Lee, will leave today for Independence, Kan., where they will visit for several months at the home of Jim Senior.

Farmers Trust Co.
Capital - $200,000.00

FOUR REASONS AGAINST HOARDING.

Here are four reasons for not buying food in unusual quantities to hoard it:

1. You are helping put up the price on yourself by creating an artificial scarcity. Wheat and flour have both been put up out of reason in the last few days by the needless rush to buy barrels of flour.

2. You are putting up the price for people of scanty income to whom every addition to the cost of provisions is a hardship.

3. You are going to waste considerable quantities of food because you have not the facilities for keeping it in good condition. You will find potatoes rotting and weevils in the flour.

4. By acquiring an unusual store of canned goods and similar articles you are likely to use the food more wastefully. That is human nature. The man who keeps a box of cigars in his house is going to smoke more than the man who buys his cigars from day to day. The same thing holds true in the case of quantities of easily prepared food.—Kansas City Star.

Visited in Graham.

Miss Mattie Hudgens of Maryville was the guest Sunday of her sister, Miss Hudgins of Graham. In the afternoon, Misses Gladys, Mattie and Iona Hudgens, Miss Opal Younger and Guy Hilsabeck formed a party and drove to Orrsburg.

CELEBRATES 83D BIRTHDAY

A. T. Stinson Resident of County 72 Years, Entertained Friends Yesterday.

A. T. Stinson was the guest of honor at a dinner yesterday, given at his home by his wife in celebration of his eighty-third birthday anniversary. The guests were: The Rev. and Mrs. R. C. Holliday, Mrs. A. M. Hagin, Mrs. Lafe Dawson, Mrs. Cora Fowler.

Mr. and Mrs. Stinson have been residents of Nodaway county for many years. Mr. Stinson came to Missouri from Madison county, Kentucky, when a child and in 1845 moved to Nodaway county, where he has lived since.

Mr. and Mrs. Stinson celebrated their fifty-eighth wedding anniversary a few months ago. Mrs. Stinson is 76 years old and Mr. Stinson is 82 years old.

Mr. Stinson engaged in various mercantile businesses during his career in Maryville, and for quite a period was occupied in stock raising. For about five years he was engaged in the produce business.

TEETH IN BAD CHECK LAW

New Statute Puts Proof on Giver of Worthless Paper — Heavy Penalty Provided.

Missouri's new "bad check law" went into effect last week.

This is news of the worst sort to "check kiters" for writing checks against insufficient funds becomes a very dangerous expedient.

The man who gets rid of a bill collector by handing him a worthless check at a store, the trader who attempts to get an option by depositing a valueless check, the improvident one who seeks to discount his approaching payday by the same means; all these must think before they trifle with "imprisonment for not more than one year, or by a fine of not more than $1,000 or both fine and imprisonment."

The new law puts teeth in the old statute against writing bad checks by throwing the burden of proof on the giver of the bad check.

Here is the section that will make prosecution of bad check writers not the futile thing it has been in the past:

As against the maker or drawer thereof, the making, drawing, uttering or delivering of a check, draft, or order, payment of which is refused by the drawee, shall be prima facie evidence of intent to defraud and of knowledge of insufficient funds in, or credit with, such bank or other depository, provided such maker or drawer shall not have paid the drawee thereof the amount due thereon, together with all costs and protest fees, within five days after receiving notice that such check, draft or order has not been paid by the drawee.

Formerly it was the one who was victimized who had to prove the bad intent of the giver of the check.

"CRISIS" EXCELLENT PICTURE

Missouri Scenes and Nearness of War Contrive to Make Photoplay Particularly Interesting.

A fair-sized crowd attended the production of "The Crisis," at the Empire Theatre last night. The photoplay was excellent, and really deserved more hearty support from the public. More tickets have been sold for this evening's performance, however, and a large crowd will most likely be in attendance.

The play had a particular interest for the audience because its scenes were entirely made in Missouri and because it brought home to all the realization of our nearness to war. The cast was excellent, not one weak character spoiling the effect of the various scenes. Bessie Eyton as Virginia Carvel, and Thomas Sentschi as Stephen Brice were excellent in their parts, but their work could hardly be picked out as superior to that of the persons who played the parts of Judge Whipple, Colonel Comyn Carvel and Clarence Colfax, or Abraham Lincoln. A crowded house should greet the showing of the play this evening.

Miss Reed Leaves.

Miss Georgia Reed, who is attending the Maryville Business College, left today for her home in Harris, Mo., called there by the serious illness of her brother and sister.

Art Craven and Rev. and Mrs. C. R. Green of Harmony is in Maryville today on business.

Tom Wallace went to Clearmont today on business.

SIX MORE BOYS APPLY.

Total of Farmer Students From High School Now Reaches Twenty.

Six more boys have decided to cast their lot with the farmers for the rest of the school term, according to the applications received by Supt. J. M. McDonald today. This brings the total up to twenty boys. Most of the boys have already found work.

The ones who applied today are: Gerald Hall, John W. Mason, Jay Puckett, Gleason Womack, Lynn Auten and Donald Davenport.

Allen Funeral Tomorrow.

Funeral services for Mrs. John Allen of Ravenwood, who died yesterday morning, following a several weeks' illness of dropsy, will be held at 2 o'clock tomorrow afternoon at the Christian church conducted by the Rev. Mr. Hunt, pastor of the church.

Mrs. Allen was 65 years old and is survived by her husband and several children.

Hester Still Funeral.

Funeral services for Hester Still, the little daughter of Mr. and Mrs. Morgan Still, who died yesterday afternoon at her home, will be held at 3 o'clock this afternoon at the residence, conducted by the Rev. R. C. Hollida" Burial will be in the Perryville cemetery, southeast of Arkoe.

Captain G. W. Smith of Kansas is visiting at the home of Mr. and Mrs. W. A. Townsend. Mrs. S. M. Smith and little son, George, of St. Joseph, is also the guest of Mr. and Mrs. Townsend and Mr. and Mrs. Ed Godsey.

MISSOURI OPENS SEASON.

University Nine Takes 9 Games from Southern and Conference Teams.

With a record of nine straight victories, the baseball team of the University of Missouri has opened what will probably be one of its most successful seasons. On the southern trip during the Easter holidays, the team defeated the University of Arkansas, Kendall College, Tulsa., Okla., Oklahoma A and M., and the Kansas Aggies, returning to Columbia with seven victories. Since that time, the team has twice defeated the Iowa Farmers in close contest.

Miss Lyle Coming Home.

Miss Floy Lyle who has been teaching in the government schools in Porto Rico, sailed Saturday for New York City, and expects to arrive in Maryville the latter part of this week. Miss Lyle is a daughter of Mr. and Mrs. Robert Lyle, living south of Maryville, and for the last two years has been teaching in the Porto Rico schools. She has given up her position.

Miss Growney to Maryville.

Miss Mae Growney, who has been teaching in the public schools of Hunnewell, Mo., arrived in Maryville Saturday night and will spend the summer months here.

Prof. A. B. Goodrich of the Guilford High school will attend summer school at Warrensburg Normal school.

Maurice White of Guilford will attend the summer term of school at the Maryville Normal.

W. A. BERG HONORED.

Chosen Vice-President of Aberdeen-Angus Breeders' Assn—Banquet.

W. A. Berg of Parnell was elected vice-president of the Missouri Aberdeen-Angus Breeders' association at a meeting held in St. Joseph yesterday. A banquet was held by the association at the St. Charles hotel in that city last evening and the following from this county attended: Omer Catterson, Hal T. Hooker, and E. S. Shupe of Maryville; J. C. Fryar of Ravenwood; W. A. Berg, Leo Berg, Miss Marie Berg, of Parnell and Miss Faye Herndon of Maryville.

GARDENS ON R. R. TRACK

Burlington Decides to Allow Employes to Use Right-of-Way For Cultivation.

Potato patches and truck gardens will line the tracks of the Burlington railroad system and the employes of that road will thereby reduce the high cost of living and relieve the strain on the national food situation as a result of a new move by that road to increase production.

All station agents of the road have been authorized to allot the right-of-way and unused portions of station ground to employes and others for garden patches and the argicultural department of the road has undertaken to advise all who apply in the best methods of growing vegetables.

Employes are to be given preference in the allotment, althought the applications of others will be considered. The land is to be loaned without cost to the individual.

The following notice is being posted in the stations all over the system calling attention to the offer:

Grow a garden on the right-of-way.

The company gives the land free of charge.

Use your spare time and our idle land to produce food. It will be needed.

Employes will be given preference.

Others may avail themselves of land not wanted by employes.

Begin now—select a garden spot.

Make application to the station agent or section foreman for your selected tract.

As soon as a tract has been assigned to you, start preparing the soil at once.

Manure the land if possible.

Plow or spade it deep.

Make the seed bed fine and firm.

Plant mostly vegetables that can be kept for winter use, such as potatoes, beans, onions, carrots, parsnips, and turnips.

Cultivate and hoe thoroughly. Kill the weeds. Keep surface soil loose.

Grow your own food stuffs. Cut down your living expense. Increase supplies of food. In this crisis your help will be needed.

H. W. Weber Back.

H. W. Weber, formerly with Pearson's Pharmacy, has returned to his work and will have charge of the rug department. Mr. Weber left Maryville last June to travel for the United States Rubber company.

Attending the Show.

G. W. Yantis and Theodore Robinson motored to St. Joseph yesterday afternoon and attended "The Passing Show of 1916," in the evening.

Charley, Tom and Don Groves and Billy Bohart of Maitland are among the out-of-town people in Maryville today.

Some Hints to Guide You In the Clean Up Campaign

HERE are some hints for clean up week: Carpets, rugs and mattings should all be taken up and thoroughly cleaned and the floors and woodwork scrubbed. Soap, hot water and a little washing soda and the scrub brush are the howitzers which successfully can combat the common enemy—dust. Invade every hiding place in the kitchen where filth may accumulate. Plug up the rat and mice holes; putty and paint the cracks where vermin may propagate.

The cellar should receive a special cleaning.

A fresh coat of whitewash applied to the walls will add freshness and brightness to its appearance. Inspect the plumbing and keep the pipes clear of rubbish heaps. Notify the local department of health of leaks from neighboring premises which are injuring your property and endangering the health of your family.

Gather all the tin cans, discarded and broken bottles and boxes from the back yard and alley. Pull up the weeds and prepare the soil for the growth of flowers, plants and vegetables. The humblest home may be made attractive by a garden display.

Do not throw the collected waste into the back alley or on to vacant lots, to be scattered by the wind. Put all the refuse in covered receptacles and then place these near the street curb on the regular collecting days to be gathered and carted away.

Mr. and Mrs. W. E. Bloomfield of Orrsburg were in Maryville on business yesterday.

Eyes Tested Free

Powers' Entertain.

Mr. and Mrs. Will Powers of Parnell entertained at dinner Sunday. Their guests were: Mr. and Mrs. Jim Powers and family, Mr. and Mrs. Tom Powers and family and Mr. and Mrs. William Robinson and family.

For Miss Anna Phelan.

The Women's Catholic Order of Forresters held their regular meeting Saturday afternoon. After the business meeting refreshments were served at Reuillards in honor of Miss Anna Phelan, High Trustee of Chicago, who was the guest of Mrs. K. C. Cummins.

Ferguson's Entertain.

Mr. and Mrs. Chester Ferguson were host and hostess at a 12 o'clock dinner given at their home Sunday. Their guests were: Mr. and Mrs. Allen Haller, Mr. and Mrs. Ray McDowell, Mr. and Mrs. Ed Cummins, Mabel Howard, and Robert Patterson and Forrest McDowell.

Rebekah Lodge Meets.

The Rebekah Lodge of Parnell met last Friday night and two members were taken in. They were Mr. and Mrs. John Overman. Those present at the meeting were: Mrs. Margaret Swain, Mrs. Golda Wilson, Mrs. Mat Frawley, Mrs. Hilda Kidler, Mrs. Betty Beekman, Mrs. Flora Findley, Mrs. Oletha Dixon, Mrs. Sadie Cooper, Mrs. L. C. Gooden, Miss Dorothy Stingley and Miss Emma Collins.

Miss Thompson, Hostess.

Miss Lora Thompson entertained with a slumber party Saturday night at the home of her parents, Mr. and Mrs. J. L. Thompson, one mile north of Guilford, in honor of her sister, Miss Alice and Miss Laveta McClannahan, the two girl graduates of the High school. Only the members of the F. and L. K. club were present. They were: Misses Ruby Ellis, Ruby Davis, Bernice Hildebrant, Edith Anderson, the honor guest and the hostess.

Entertain With Party.

The 1916 graduates of the Guilford High school entertained the 1917 graduates with a party at the school building on Friday night, April 19. Various games were played and refreshments were served at Lee's cafe. Those present were: Misses Ruby Ellis, Ruby Davis, Lora Thompson, Bernice Hildebrant, Edith Anderson, Iva Kershaw, Cleta Rasco, Alice Thompson, Laveta McClannahan; John Ham, Bernard Richards, Orvis Wallace, Cleo Richards, Harvey Lucas, Lloyd McClintock, Glenn Anderson and Prof. A. B. Goodrich.

Mission Circle Meets.

The Mission Circle of the Christian church met Saturday afternoon at the home of Mrs. Fred P. Robinson with Mrs. Robinson, Mrs. Fred Newlon and Miss Ella Hazelrigg as hostesses. Miss Fannie Hope was the leader for the afternoon. A splendid program was given. Mrs. L. G. Crossan pleased the guest with a solo, following was a paper on "World Missions and World Peace," by Mrs. Dale Bellows. The Bible study was a lesson from Psalms led by Mrs. R. P. Hosmer. Mrs. R. P. Moore talked on "The Cry of the Children of the World," Mrs. Fred Robinson sang a solo and Current Missionary Events were discussed by all present. During the business session plans were made for the spring rummage sale. After the business session was the social hour and refreshments.

Glendale School Report.

Following is the term report of the Glendale school district No. 49: Total enrollment for the term 25; number attending every day, 11. They are as follows: Ermina Scott, Pauline Loch, Carl Scott, Harold Houston, Gracie Ulmer, Hazel Scott, Alta Ulmer, Lois King, Raymond Houston, Elma Scott and Lowell Gray. The average daily attendance for the term 24; number of cases of tardiness 0. The pupils enrolled are: Ray Ulmer, Ermina Scott, Phyllis Gray, Merrill Morris, Lesta Spangler, Forest Ulmer, Helen Ulmer, Edith Spangler, Pauline Loch, Carl Scott, John Gray, Harold Houston, Irene Gray, Gracie Ulmer, Hazel Scott, Alta Ulmer, Murell Scott, Lela Buzzard, Lois King, Loren Buzzard, Lorance Gray, Raymond Houston, Vinnie Stevens, Elma Scott and Lowell Gray. A. M. Burch, teacher.

For Miss Opal Hilsabeck.

The members of the Harmony High school gave a farewell surprise party Saturday night at the home of Mr. and Mrs. Charley Hilsabeck in honor of their daughter, Miss Opal, who leaves soon with her parents for North Dakota, where they will make their home. Various games were played and light refreshments were served by Mrs. Hilsabeck, assisted by Miss Ruth Stingley. The following guests were present. Misses Leta Hanez, Ruth Stingley, Etta Birkenholtz, Estella Lawson, Mary Marshall, Charlotte Green, Vida and Iris Heflin, Marie Lewis, Bernice Holt, Hazel Cox, Ella Farrell, Lois Bush, Ilene Swope, Zoe Monroe; Morrison Lawson, Wilbur Cox, Everette Porter, Vilas and Floren Porter, Carl Kessler, Glen Stingley, Ralph Kessler, George K. Lewis, Howard Van Nelson, Martin and Thomas Ferrell, Owen Holt, John Charlton, Willis Parent, Lee Barton, Eugene Florea, D. Treece, Glen and Blaine Ulmer, Jack Hilsabeck, Bluford Heflin, Henry Bush, and Mr. and Mrs. Otis McCall.

Eastern Star Meeting.

The Eastern Star Chapter will hold their regular meeting tonight.

Called Meeting of the W. C. T. U.

The W. C. T. U. will meet at 2.30 o'clock Thursday afternoon at the First M. E. church to select delegates to the W. C. T. U. convention at Burlington Junction on May 8. All members are urged to attend. Miss Rowena Shaner, vice-president of the state organization, will be present.

Children in Marshmallow Toast.

A number of children of Parnell enjoyed a marshmallow toast, last night. Those present were: Vivian Stingley, Katherine Waske, Bess Welch, Gertrude Logan, Troy Fronk, Merlin Millikan, Cecil Hall, Lawrence and Paul Foland, George and Louie Waske and Elva Cox.

Parnell Girls Entertain.

The girls of the Junior class of the Parnell High school entertained last night with a weiner roast west of Parnell in honor of Miss Mary Sisson. Those present were: Misses Mildred Hall, Mary Sisson, Clara Wack, Cecil and Lucile Collins, Bernice Brummett, Inez Surplus, Quete Morgan, Margie and Helen Welch.

Oxford School Closes.

Miss Victoria Adams, closed a very successful term of school last Friday at the Oxford school near Parnell. At the noon hour a delightful dinner was served by the patrons of the school after which a program of songs, recitations and dialogues was given by the pupils and teacher. After the program was a ciphering match in which all took part. Miss Adams has been re-elected for another year.

O'Connor-Lynch Wedding.

Miss Julia O'Connor, daughter of Mr. and Mrs. Dennis O'Connor of Conception Junction, and John Lynch also of Conception Junction were married at 8 o'clock this morning at the Abbey church, the Rev. Father Placidus officiating.

Miss Marie Lynch of St. Joseph, sister of the groom, and John Farnan cousin of the bride, attended the bridal couple.

The bride was prettily gowned in white crepe de chine with trimmings of lace and slippers and gloves to match. Her tulle veil was caught to her hair with orange blossoms and she carried an arm bouquet of brides roses. The bridesmaid wore a white voile dress with a gold stripe and wore a yellow picture hat trimmed with forget-me-nots and gold daisies.

Immediately after the ceremony a wedding breakfast was served to the bridal party. At the noon hour an elaborate dinner was served to about sixty friends and relatives of both parties.

Mr. and Mrs. Lynch left this afternoon in a car for St. Joseph and from there they will go to Kansas City for a few days. They will make their home on Mr. Lynch's farm near Conception.

Save Young Animals.

Save the heifer calves and the brood sows.

That advice is being given by the packers to the farmers of the corn belt.

More live stock is needed. The way to get it, say the packing house people, is to keep the breeding stock.

A movement is on foot now to organize all the packers so they will discourage the slaughter of young animals and breeding animals, and the propaganda for the conservation and the increase in meat supply is one of the important questions to be taken up at the food convention conference which is to be held in St. Joseph May 2.

TWO NORWEGIAN SHIPS SUNK.
Special to The Democrat-Forum.

Christiania, April 24.—Two Norwegian steamers have been sunk by submarines but the crews were saved.

MODIFY LIQUOR REGULATIONS.
Special to The Democrat-Forum.

London, April 24.—Regulations covering the sale of alcoholic drinks in Russia have been modified, says a Petrograd dispatch.

That all may have home-grown sweet potatoes at least eight months of the year is the contention of a Forest City farmer, and he has proved the feasibility of his plan by having fresh sweet potatoes as late as April 10. His plan is to sun-dry the potatoes as soon as they are dug. For a week of bright weather they are exposed to the sun throughout the day and covered from frost and dews at night. When thoroughly dry they may be handled as roughly as Irish potatoes and, if stored in a dry place, keep almost as well.

Guy Bent moved to 422 North Walnut street yesterday. Mr. Bent has purchased the property.

C. G. McMillen of Pickering, is in Maryville today.

SPAIN SENDS NOTE TO GERMANY.
Special to The Democrat-Forum.

Madrid, April 24.—Spain has sent another note to Germany on the submarine question. No hint as to the contents is given.

KAISER'S SON REPORTED DEAD.

Chalmers 7-Passenger Touring Car—Price $1350 Detroit

Unequalled Performance

By Chalmers 7-Passenger—Sets All Motorists Talking

Motorists everywhere are talking of the startling feat performed by a Chalmers 7-passenger touring car in Chicago. Something new has been discovered in motor-car achievements. Something never before attempted, never before done by an automobile. To set a mark of 586.8 miles through Chicago's busy streets was a feat in itself. But to do it all on high gear. To make it a non-stop motor run. To carry four passengers. And to show 14 miles to the gallon of fuel. Adds the cap sheaf of surprise.

When Chalmers started out to attempt the feat they said: "Let us make this complete. Let us omit nothing that can add to the difficulty of performance. Let us leave nothing for the future." The Contest Board of the American Automobile Association certifies that these statements are true.

It has set its seal upon the facts. You can have this flexibility, this economy, this consistent, solid satisfaction in your car. We have on our show-room floor the twin brother of the car that did this. It was a standard, stock 7-passenger Chalmers in all details.

Come and see the car. Come and learn WHY this unheard of feat was possible. Come and drive the car yourself. Feel the charm of a Chalmers.

Mr. and Mrs. John Thompson and family of Bedison entertained at dinner Sunday. Their guests were, Mr. and Mrs. George Wolfert and family of Barnard and Mr. and Mrs. Erb Mozingo and family of Bedison.

It seems no matter when or who, we all must have some bugaboo, held up before us day and night, to make us do the thing that's right. When we are small our truthful parents will frighten little Liz and Clarence, and tell them if they do not sleep, or if they do not cease to weep, the Bogie man will come and get them, and with grave woes he will beset them. Soon Clarence and his sister, Liz, find out there is no truth in this; it doesn't help to make them good, so they just keep on sawing wood, but in their minds it plants a doubt of many things theye're told about. When they grow up a little more they're told the Badman's at the door, and when they reached a grown state they're told the Devil lies in wait to get them if they don't receive a list of things which you believe; they're seldom taught that they will lose the best in life if they refuse to do a thing because it's right, and not through fear of coming blight.—Mrs. O. W. Curry in Bethany Republican.

Do you want to rent that house of yours?
Then paint it.
Paint preserves the life of your property.
Tenants are attracted.
Be progressive.
Paint up.

TRUSTEE'S SALE.

Whereas, Terrence W. Costello and Marcella C. Costello his wife, by their certain Deed of Trust, dated the 25th day of September, 1915, and recorded in the Recorder's office of Nodaway county, at Deed Book 124, page 142, conveyed to the undersigned, E. F. Wolfert, all their right, title, interest and estate, in and to the following described Real Estate, situated in the County of Nodaway, State of Missouri, viz.: All of the southwest one-fourth (¼) and all that part of the southwest quarter (¼) of the southeast quarter (¼) lying west of Platte River all in Section Thirty-three (33), Township Sixty-three (63), Range Thirty-four (24), containing 183 acres more or less; also north one-half (½), of northeast quarter (¼), of the northeast quarter (¼) of Section Six (6), Township Sixty-two (62), of Range Thirty-four (34), containing 20 acres more or less; which said conveyance was made in trust to secure the payment of a certain promissory note in said deed described, and whereas, said note has become due and is unpaid now therefore, in accordance with the provisions of said Deed of Trust, and at the request of the legal holder of said note, I the undersigned, Trustee will proceed to sell the above described Real Estate at West Court House door in the City of Maryville, in the County of Nodaway, State aforesaid, to the highest bidder, for cash, at public auction, on Tuesday, the 15th day of May, 1917, between the hours of nine in the forenoon and five in the afternoon of that day, to satisfy said note, together with the cost and expenses of executing this trust.

E. F. WOLFERT, Trustee.

Dated this 21st day of April, 1917.

TRUSTEE'S SALE.

Thrift Gardens In a Clean Up Campaign Reduce Living Cost

Thrift gardens will be the innovation and one of the dominant features of the fifth annual crusade of the national clean up and paint up campaign bureau, which is being directed from the national headquarters, Security building, St. Louis.

The thrift garden idea, which means the utilizing of the back yards, vacant lots and waste grounds of a community, was originated by Allen W. Clark, chairman and founder of the national clean up and paint up campaign, with a view of directing the attention of the people of the towns and cities to an immediate and effective way of reducing the high cost of living. A thrift garden in the back yard 25 by 50 feet will—at a cost not exceeding $2 for best seeds and $5 for fertilizer—if properly cultivated very materially reduce the cost of living.

It will supply a family of six with fresh vegetables throughout the season.

It can be made to yield produce, in cash value, from $50 to $100 per season.

It will provide wholesome and profitable exercise of mind and body.

It will make a more contented people.

It will teach preparedness and economy.

It will conserve the resources of the country.

From a carload of feeder steers shipped into Mound City last week one proved unusually sociable says the News-Jeffersonian, for he tried to make calls at each door as he passed up State street. He entered Riffe's hardware store and was promptly ejected, after which he went into the White House barber shop ,again leaving by request, but without causing any damage.

Ten years' experience with Single Comb Brown Leghorns have proven that they are the kind that lay and pay.

MRS. J. R. EVANS, Route 7. Maryville, Mo. Phone 15-18 Mutual.

Be Sure to Put Brains Behind Your Brooms

TO make your town worth while you must put brains behind your brooms. You must plan clearly with thoughts beyond present conditions. You must build your civic house with the future of your children and your children's children clearly before you. You must do hard things now in order that more abounding prosperity and civilization may come after you. The essentials of town planning are:

Cleanliness.
Godliness.
Industries.
Care for the children.
Cleanliness always comes first.
Clean up!
Get ready for clean up week.

THE THREE D'S

Dirt
Disease
Death

Numerous Benefits Can Be Obtained By Cleaning Up

"Clean up week" depends for its success upon the hearty co-operation of every citizen, and if it be given ungrudgingly the town will be the better for it in health, in money and attractiveness. City officials can do much in seeing that the street cleaners do really clean, that garbage collectors do their task thoroughly and that public buildings, squares and parks shall be an example of neatness. But what the official can do will be but a drop in the bucket compared with what should be done. It is the corners that are out of sight that need most attention—the courts, cellars and back yards—and over these the municipality has no control. It depends, therefore, upon the householder to do the major part in the elimination of rubbish, the overhauling of the things that collect dust and filth, and the whole process that goes to make up the real town beautiful.

Dirt of any sort means multiplication of disease, and disease means economic waste. Therefore "clean up week" will mean business prudence and enterprise. Health means wealth and progress.

Make a Thrift Garden

It has been estimated by authorities on gardening and production that a back yard thrift garden, 25 by 50 feet, will supply a family of six with an abundance of fresh vegetables, sufficient to supply all needs through the season, if judiciously planted and given the proper care and attention.

Ben Cooper of Gaynor City left today for Los Angeles, Calif.

Lester Ellis of Guilford is in Maryville on business today.

W. G. Sayler of Burlington Junction was in Maryville yesterday on business.

THE HAPPY "HOPPY" DRINK

Kansas City Stock Letter.

Kansas City Stock Yards, April 23,—Cattle receipts were 10,000 and the market was slow and barely steady, top $12.25. Tog receipts were 12,000, market 15c to 20c lower, top $15.80. Sheep and lambs today 3,100, market 10c higher, wooled lambs $15.85, a new high record, clipped lambs $12.60.

Beef Cattle.

Receipts were rather liberal at all markets, due to alarm over the position of the Government with respect to price fixing, coupled with the high cost of feed. Packers had a slight advantage, the market 25c to 50c under a week ago, even on good to choice steers. Some natives weighing 1,100 lbs. sold at $12.05, but twenty or thirty loads of pulp steers sold at $12.00 to $12.25. Middle class steers sold at $10.50 to $11.50, and light weight common steers to killers at $8.50 to $9.75. Five loads of Utah pulp fed steers sold at $11.00, Utah cows $9.35. About 60 loads of Colorado and Nebraska pulp steers sold at $11.25 to $12.25, pulp cows and bulls each up to $10.00. Five cars of mixed quarantine cattle included cows up to $9.50, steers $7.50 to $9.75, calves $7.50 to $11.00, bulls $7.50 to $8.25, everything light weight and only fair to good. Best native cows went up to $10.50, veals $13.25, bulls $10.25.

Stockers and Feeders.

Sales today were steady with the decline of 15 to 35 cents effective last half of last week. Stock steers sold at $8.00 to $10.75 and feeding steers at $9.50 to $11.40, a four-car drove bringing the latter pride, highest on record, to an Illinois man. Stock steers at $8.35 on Saturday, 700 lbs. average, were an attractive purchase by an Iowa man. Breeding heifers and cows sell at $7.00 to $10.50, about $1.00 lower than 10 days ago.

Hogs.

Continued liberal receipts at Chicago to spread weakness around the market circle, although prices here on best hogs are practically as high as in Chicago, top here today $11.80, being only a nickel under Chicago. Best medium weights sell 10 cents under best heavy weights, and lights are 25 cents farther down the line, $15.70 and $15.45, respectively, today. A large number of middle and low class light hogs sell down around $15.00, some a quarter more, some a quarter less. This item causes a rather wide spread in the range of bulk of sales, as compared with markets where the hogs received are more even, of heavier weights and better average finish.

Sheep and Lambs.

The only department of the live stock trade to show firm prices is the sheep house, where light receipts keep buyers on the defensive. Sales were 10 cents higher today, yearling lambs from Northern Colorado at $15.85, a new high record, bulk of lambs $15.50 to $15.75, clipped lambs up to $12.60, ewes worth $13.00, some 40 lb. brusher Angoras today at $9.00, a new high price in that class. Light receipts and higher prices are forecasted.

Mrs. W. I. Carter of Guilford is quit ill of typhoid fever.

DAILY DEMOCRAT-FORUM

NEWS DISPATCHES FROM THE INTERNATIONAL NEWS SERVICE.

VOLUME 7. MARYVILLE, MISSOURI, TUESDAY, APR. 24, 1917. NO. 278.

DEVELOP PLANS FOR BABY WEEK

PROGRAMS BEING PREPARED FOR EACH DAY, MAY 1 TO 6.

BEGINS SATURDAY WITH FLAG DAY

Clinics Will Be held Two Afternoons in the Week in Charge of City Physicians.

How Maryville can be made the best possible place for the best possible children to live in, is the topic the committee in charge of the city's part in the Nation-wide Baby Week campaign May 1 to 6, has uppermost in its mind and expects the community to do likewise.

With the hope that the movement will receive the public spirited cooperation it deserves, programs are being prepared that will be of concern to everyone interested in what a community can do to protect its children.

Baby Will Rule Week.

Beginning Saturday which will be "Flag Day," and continuing until the following Saturday, "His Highness,"—the Baby, will be given the place of honor.

Two important clinics or demonstrations will be held probably Thursday and Friday afternoons, May 3 and 4, at the First Methodist church. These meetings will be in charge of the city's physicians and health lectures and demonstrations of the correct dressing, feeding and care of infants will be conducted. This part of the week's work is in charge of Dr. Karl Malotte, Mrs. G. H. Colbert, Mrs. Vilas Martin and Mrs. Lewis White.

"A Baby Service" will be held on the Sunday morning preceding "Baby Week," when all the ministers in the city will take for their sermon subjects some phase of child welfare.

Babies to Receive Flags.

On flag day, the children of the ward schools will present an American flag to each home where there is a child under school age, or less than six years old. The flags for this purpose have been given by Harvey L. Haines. The committee has obtained through the school children a list of the homes where there are children less than six years abiding, and in homes where there is no school representation the parents are asked to telephone Miss Kate Schenck, who will see that the child's name and address is given in and a flag presented.

Students in Essay Contest.

Two contests which will call forth the best efforts of mothers and children have been arranged and they will be a profitable part of the week's work. One will be an essay contest on "The Care of the Baby," written by a school girl or boy. There is no limitation put on this and all students are eligible to participate. There will be no prize but honorable mention will be made of the best and the essay will be published.

The second contest is for mothers and will be on the subject, "Better Mothers." This is to be arranged by a number of the city physicians and the details will be given with the completed program which will probably be announced tomorrow.

All merchants in the city have heartily responded to the appeal made by the club women that they decorate their windows and places of business in honor of "Baby Week." This with the city Clean Up campaign instituted this week will make the city a place of beauty and fit habitant for his infant lordship.

Baby Week as a nation-wide movement had its start in 1916 under the direction of the Children's Welfare bureau at Washington. About 2,300 cities and communities responded with a part in the work. This year it is expected the observance will be universal.

J. R. FORD IS BURIED

Services at Residence This Afternoon, the Rev. C. E. Miller Officiating Quartet Furnishes Music.

The funeral of J. R. Ford, who died at his home in Maryville after four weeks' illness, was held at the residence at 2:30 o'clock this afternoon. The Rev. C. Emerson Miller, pastor of the Christian church, officiated. A quartet, consisting of H. J. Becker, Mrs. Fred Robinson, Mrs. J. D. Richey and W. E. Goforth, sang many beautiful selections. Burial was at Oak Hill cemetery.

The pall bearers were: J. R. Brink, J. E. Dickerson, W. C. Frank, G. B. Baker, George Wilfley and Warren Jones.

FOR BUSINESS GIRLS

WILL HAVE OPEN HOUSE FOR THE PUBLIC MONDAY NIGHT.

WANT PERMANENT CLUB

Will Give Exhibition of Drill Work and Informal Program — the Patronesses to Assist.

The Business Girls' Club, an organization started at the time of the Scoville revival last fall will hold an open meeting next Monday evening at the High school gymnasium for the purpose of showing the public the great progress made by the club since it began.

No formal invitation will be given to the affair, but personal invitations will be extended by the members to their friends and by the newspapers to the public.

On Monday evening the regular program of the club will be given by the members. The Bible study which is a regular feature of the meetings will be dispensed with, but the gymnasium class will give an exhibition under the direction of Miss Nelle Hudson, who has had the class in charge since the beginning of the club work.

The patronesses of the organization will assist in the reception of the guests and will also take part in the informal program which will be arranged. The patronesses are: Mrs. L. E. White, Mrs. I. E. Tullock, Mrs. R. S. Braniger, Mrs. J. B. Robinson and Mrs. S. G. Gillam.

While the Business Girls' Club has not shown a wonderful increase in numbers since its organization by Mrs. Charles Reign Scoville last October, at the same time it has held up well, averaging from thirty to forty members present at each meeting. The members have also displayed such interest in the work that the need of a permanent organization is keenly felt by those who realize that the club is far past the experiment age.

The club at present has only two officers, a treasurer, Miss Nora Ritze, and a chairman, Miss Bess Porter.

If the club becomes a permanent organization in Maryville plans for the establishment of a summer camp for business girls will be formulated by the leaders in the club. It is also planned to have a business girls' picnic some time next summer.

To Drive Against Russia.

Special to Democrat-Forum.

London, April 24.—All indications today were that Germany has opened her spring campaign against the Russians. Experts predict that Hindenburg will launch a combined sea and air attack in a gigantic effort to cut off the Russian armies from Petrograd.

Miss Ida Barton went to Mound City for a weeks' visit at the country home of Mr. and Mrs. G. L. Jackson.

Mr. and Mrs. Harry Todd went to St. Joseph today on business.

Those who will have rooms

For Track Meet Visitors Call 143

Tomorrow between 9 and 12 a. m.

CITY CLEAN-UP DAY

ALL HOME OWNERS PREPARING FOR CAMPAIGN TOMORROW.

SCHOOL CHILDREN START

Washington School Yard Cleaned by Students This Afternoon — Drays Start Early.

All of the home owners are busy today getting ready for the Clean Up campaign tomorrow. Already the sacks and boxes of cans and rubbish may be seen decorating the parkways of the east and west streets in anticipation of an early call by the dray men.

The schools are the first to line up, as usual. At Washington school a 45-minute recess was given in order to clean up the school yard. The students were divided into bands and each band was given a section of the school ward to clean. The band that did the neatest job was awarded a prize.

Tomorrow the ward schools will adopt the same plan and the school yards will be thoroughly cleaned as a result of the Clean Up campaign.

Remember to place the cans and debris in sacks and other retainers and to place it in the parkways of the east and west streets. And remember to be early with your packages because in the campaign tomorrow, the policy of "first come first served" will be used.

The lieutenants will be at work early tomorrow directing the work of the dray men and urging the cleaning up of unsightly spots. The wagons will be marked with a sign, "Clean Up Wagon," and the collections will be made on the east and west streets only. And remember, it is the only day in the year when the collection will be made free.

AN INTER-CLASS MEET

Freshman Challenge to Other Normal School Classes Results in Track Events Monday Afternoon.

An inter-class track meet for the Normal classes will be held Monday afternoon on the Normal athletic field. The object, of course will be to bring out all material in the school for the Normal track team.

The meet came as a result of an offer by the Freshman class to meet any other class or all the other classes combined in a track meet similar to the one to be held here next Saturday. The other classes accepted the challenge and Director of Athletics Walter Hanson accordingly arranged for the meet.

The following events will be on the program:

100-yard dash, 220-yard dash, 440-yard dash, half-mile run, mile run, 120-yard high hurdles ,220-yard low hurdles, pole vault, high jump, running broad jump, discus throw, shot-put, and relay. Officials will be appointed, and the meet will be carried on just like the big one Saturday.

The Normal track team is working out every day in preparation for the inter-collegiate meet which will be held at Liberty. Chauncey Saville, who is rated as the best distance runner in the conference, was unanimously elected captain at a meeting of the squad yesterday afternoon.

On Inspection Trip.

The county court will start tomorrow on their inspection trip of the roads and bridges of the various townships. The court will be accompanied by the township board of each township they visit.

Tried for Insanity.

The county court in a special session this morning tried Nellie Bannister of Guilford, her brother having issued a complaint that she was insane. The court decided to have the girl treated by County Physician Frank Wallis, and she will be kept in the county jail.

Elbert Shupe and Hal Hooker left yesterday for St. Joseph to attend the Aberdeen-Angus cattle sale and the banquet last night.

Misses Blanche Erickson and Thelma Eaton, Normal students, spent the week-end with Miss Grace Tebow, east of Maryville.

The Guilford school board will meet Saturday evening April 28, to consider applications for teachers for the four rooms of the school.

FARMER MUST AID

EXPERTS URGE CO-OPERATION AT GARDNER'S FOOD CONFERENCE.

C. D. BELLOWS ATTENDS

Experts Speak on Missouri's Ability to Help Win the War by Increasing Cultivation and Production.

How to raise more livestock, corn, beans, forage, potatoes and all kinds of vegetables and food products and how to distribute them were topics of discussion at the farm conference called at Jefferson City yesterday by Governor Gardner. C. D. Bellows of the State Board of Agriculture was the Maryville delegate to the conference.

Governor Gardner opened the conference, held in the house chamber of the new capitol, by appealing to farmers throughout the state to do their utmost to increase cultivation and producion.

"If this great war is to be won, it must be won on the backs of the American farmer," the governor declared. "And if the farmer is to work out the nation's salvation, he must be supplied with money for seed, equipment and labor. The patriotic bankers of Missouri must find some way by which this can be done for the farmer of the state."

The conference adopted resolutions urging congress to make effective the recommendation of the secretary of agriculture that the council of national defense be given authority to fix maximum and minimum prices for food and to prohibit speculation in food products.

After a heated debate, the conference adopted a resolution indorsing the plan to forbid the use of corn and other food products for the manufacture of intoxicants during the duration of the war.

Prohibition Opposed.

Efforts to have a resolution favoring absolute prohibition failed before a committee on the floor. A compromise resolution was adopted which contended that injection of the question of prohibition in the meeting would destroy its effectiveness and asked that the issue be not considered.

Another resolution asked for the Missouri council of defense to co-operate with the national defense council. Farmers were urged to increase their acreage and bankers were urged to loan money to dependent farmers.

Gardner to Decide.

It was left to Gov. Gardner to say how many he would name on the defense council. Tonight he said that he would probably appoint seven and announced that F. B. Mumford, dean

(Continued on Page 2.)

ALL SET FOR TRACK MEET

Preparations to Accommodate Crowds Are Being Completed Rapidly— Two More Schools Enter.

Two more entries for the track meet were received this morning. The schools entering were Plattsburg and Cainesville, neither of whom were in the meet last year. The list of entries now totals twenty-three schools, of which nine were not entered last year.

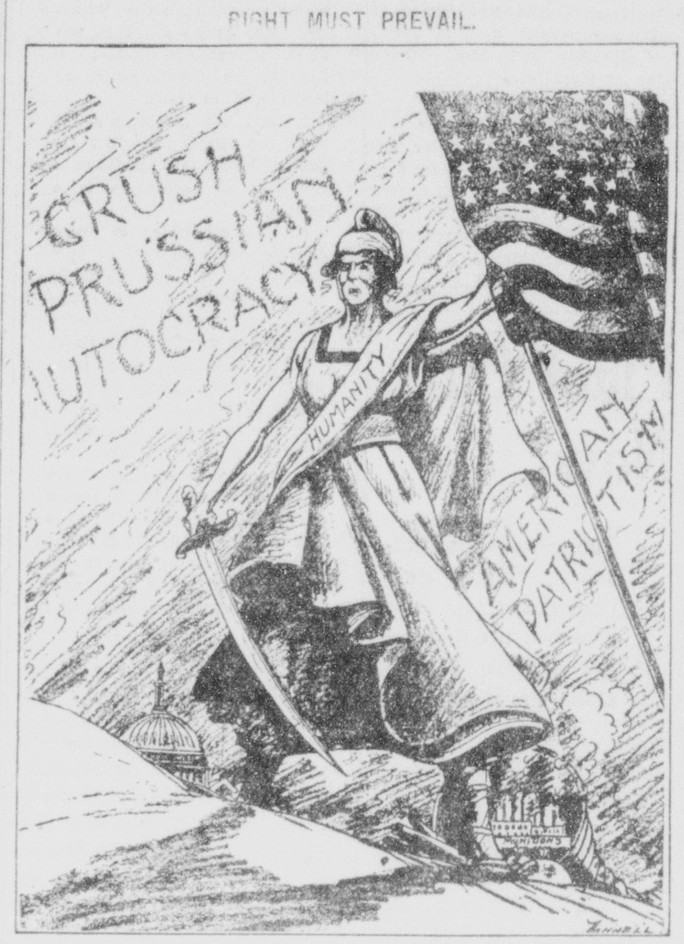
Preparations for the meet are going on rapidly. Prof. Walter Hanson is making the program so as to run off the meet in the shortest possible time and the least possible inconvenience to spectators and participants. One of Prof. Colbert's classes will measure the field and mark off the lanes. An elaborate policing system will be installed to guard against accident and disorder. The Fourth Regiment band will furnish the music during the afternoon.

A feature which will be seen for the first time this year will be a system of decoration devised by Mr. Hanson. He has written to each of the schools entered, asking for the colors of the school, and upon receipt of the information will have pennants made in the colors of each school. The pennants will then be used to decorate the grandstand.

It is also Mr. Hanson's intention to install some sort of a checking system for the contestants. Last year there was some complaint over lost articles, and Mr. Hanson desires to avoid it this year.

The hurdle races, the prettiest of the meet, will be made still more attractive by painting the hurdles white.

RIGHT MUST PREVAIL.



—Donnell in St. Louis Globe Democrat.

A NEW WAREHOUSE

LIPPMAN AND KUCHS WILL ERECT A $10,000 STRUCTURE.

LEASED TO TOWNSENDS

Building Will Be Located in the Rear of Their Wholesale House—Will Be Absolutely Fire Proof.

Adolph Lippman and Richard Kuchs will begin work tomorrow on a $10,000 warehouse to be built on the lots behind the building in which the Townsend Wholesale house is located. The Townsend Wholesale Grocery Company has leased this building for five years from the date of completion and will use it to store flour and sugar.

The building will be 88 feet long and 66 feet wide, and will have about 5,500 feet of floor space. It will be built of fire-resistant material, consisting of bricks and heavy hollow tile. The roof will be constructed of composition material, mostly of gravel. No wood will be used excepting for the joists in the roof. The floor will be of concrete and the doors and window casings will be of metal. The windows will be of wired glass.

Mr. Lippman has charge of all of the work excepting the brick work, the contract for which has been let to Frank Reynolds. When finished the building will be the most complete of its kind in Maryville.

The building of a warehouse is a new departure in the building line for Mr. Lippman, who for the last year has been specializing in the making of ideal homes for renters.

ELECT SKIDMORE TEACHERS

Prof. E. R. Adams Heads High School Again — One New Teacher Chosen.

The Skidmore school board at the regular meeting last night elected the teachers for next year. Prof. E. R. Adams, Skidmore; Miss Beatrice Sewell, Maryville and Miss Louise Cowan, Marshall, were elected teachers in the High school.

In the seventh and eighth grades Miss Lena B. Newland, New Hampton, who is a new teacher; in the fifth and sixth grades Miss Lenola Mitchell, Skidmore; in the third and fourth gades, Miss Maude Linville, Skidmore, and in the first and second grades Miss Ethel Porter, Skidmore.

The directors on the school board are: Frank Barrett, J. W. Rodman, J. O. Miller, M. A. Sewell, J. W. Weddle and William Howden.

"Snow White Coming."

"Snow White," one of the most popular photoplays in which Marguerite Clark stars, will be given at the Empire Theatre May 1, under the auspices of the Ladies Aid of the Christian church.

NEW ARRAS BATTLE

TERRIBLE LOSS OF LIFE INFLICTED ON GERMANS YESTERDAY.

THE BRITISH SUFFER, TOO

Take Towns of Beauchamp and Villiers in Fierce Engagement— Win on the East Front.

Special to The Democrat-Forum.

London, April 24.—A terrible loss of life was inflicted upon the Germans in the first day of the new battle which developed on the Arras front yesterday. Dispatches from the front say that the British made a grand assault between Lens and Trescault and trampled innumerable corpses in their charges. The British didn't escape lightly as in the first week's fight east of Arras. On both sides of the Scarpe river there was intense activity during the night.

Capture Two Villages.

London, April 24.—After repulsing the strong German counter attacks, the British again surged forward on the wide front last night capturing more villages and driving the Germans from Beauchamp and Villiers. The war office announced today that both places were occupied by the British.

Artillery Battles Frequent.

Paris April 24.—Violent artillery battles are taking place along the French front. In Champaigne there has been much grenade fighting.

British on East Front.

London, April 24.—The British Northwest of Bagdad are now driving upon the important city of Samarra defended by a strong Turkish garrison.

WILSON SIGNS FINANCE BILL

CREATES BIGGEST WAR CHEST IN HISTORY BY ACT TODAY.

CONGRESS WON'T PASS CONSCRIPTION BILL

Champ Clark Declares That Measure Will Never Get By Both Houses —Considered Disgraceful.

Special to The Democrat-Forum.

Washington, April 24.—The president created the biggest war chest in history today when he attached his signature to the bill which authorizes the raising of seven billion dollars to defray the American expense of entering the world war. No formalities attended the action and no one was present.

The flat declaration that Congress will not enact the selective conscription bill was made today by Speaker Champ Clark to a delegation from the National Security League, which called at his office to urge military training.

"What you men want is conscription," he said, "and it's not going to pass. Why, you want to fasten disgrace of drafting on a man when he wants to enlist voluntarily. The war department is trying to bulldoze the people but it will not be able to do it."

Washington, April 24.—The final vote on the passage of the army conscription bill will be taken by the senate and house sometime after the two houses assemble Thursday, according to present indications. Its passage in the form desired by the president was assured by the state department this morning.

The French commission have arrived safe on this continent according to an announcement made by the state department today. Admiral Joffre, and Premier Viviani are heading the commission.

French Commission to Washington.

Washington, April 24.—The French mission will arrive in Washington tomorrow morning it was officially announced this afternoon.

PRUSSIAN U-BOAT CAPTURED?

Special to The Democrat-Forum.

New York, April 24.—The New York Herald prints this morning a dispatch from Virginia which says that the Prussian submarine U-36 was caught in a net and is now on the way to the New York Navy yards.

Report is "Absurd."

Washington, April 24.—The navy department officials characterized as "absurd," the report that an American battleship captured a submarine.

FARMER MUST AID

(Continued from Page 1.)

of the state agricultural college, would be chairman.

The resolution, besides providing for the council of defense, urged these points in the Missouri food campaign:

The cultivation of every available plot of ground and its use for growing vegetables and garden truck.

The principle of universal selective service, that the army and navy may have men, the industries, workers and the farms the labor necessary for maximum production.

Ask Federal Control.

The federal control of foodstuffs and the prohibition of speculation in food products.

The elimination of every source of waste in the home, so that no foodstuffs shall be uselessly taken from the world's supply while every effort is being made to increase production.

The co-operation of every organization and individual in the campaign.

The formation of local companies of able bodied boys under military age so that, at the call of the council, they may be ready for assignments to aid in food production.

Professor Henry G. Bell of the National Fertilizer association, addressed the conference on the fertilizer situation.

"Missouri is capable," he said, "of rendering great service to the nation by increasing her normal yield of 200,000,000 bushels of corn, 30,000,000 bushels of wheat and 8,000,000 bushels of potatoes. The problem calls not only for increased acreage, but for increased yield on every acre.

"Let me urge attention to maintaining the fertility of the soil in food production and to supplying the growing crops with plant food. Make the best use of all farm manures and green cover crops. If Missouri yields are increased five or ten bushels an acre, the results will be millions of bushels more of corn and wheat for war needs."

To Represent Missouri.

Jefferson City, April 24.—Governor Gardner has appointed L. B. Mumford, dean of the agricultural college of the State University to represent Missouri in the National Trade conference at Washington.

Lowers Mr. Richey's Assessment.

The county board of appeals in session late yesterday afternoon lowered the assessment of John D. Richey from $1,400 to $1,000.

Playlet Given at H. S.

At the High School assembly this morning "The Country School," a delightful playlet, was given by the advanced senior class.

Mrs. Fred Norris and little son, Teddy Lee, will leave today for Independence, Kan., where they will visit for several months at the home of Jim Senior.

MAYR'S WONDERFUL REMEDY for STOMACH trouble

ONE DOSE WILL CONVINCE

Gall Stones, Cancer and Ulcers of the Stomach and Intestines, Auto-Intoxication, Yellow Jaundice, Appendicitis, and other fatal ailments result from Stomach Trouble. Thousands of Stomach Sufferers owe their complete recovery to Mayr's Wonderful Remedy. Unlike any other for Stomach Ailments. For sale by Pearson's Pharmacy and druggists everywhere.

Guilford Play Well Attended.

The play given Saturday night by the L. D. S. church at Guilford was well attended. $73 was cleared and will be used towards purchasing a piano for the church. The Alumni of the High school attended the play in a body.

Marriage License Issued.

A marriage license was issued in St. Joseph yesterday to J. H. Johnson of Sheridan and Mrs. Maude Douglas of Hopkins.

Carpenters to Kansas City.

Mr. and Mrs. Lee Carpenter left yesterday for Kansas City, where they will visit for a few days with friends after which they will go to St. Louis for a couple of weeks visit with Mrs. Carpenter's sister, Mrs. Otis Tindall.

Plant Out Now

We carry the best standard varieties at the most reasonable prices.

The Engelmann Greenhouses.
Phones, 17. 1001 S. Main St.

FOUR REASONS AGAINST HOARDING.

Here are four reasons for not buying food in unusual quantities to hoard it:

1. You are helping put up the price on yourself by creating an artificial scarcity. Wheat and flour have both been put up out of reason in the last few days by the needless rush to buy barrels of flour.

2. You are putting up the price for people of scanty income to whom every addition to the cost of provisions is a hardship.

3. You are going to waste considerable quantities of food because you have not the facilities for keeping it in good condition. You will find potatoes rotting and weevils in the flour.

4. By acquiring an unusual store of canned goods and similar articles you are likely to use the food more wastefully. That is human nature. The man who keeps a box of cigars in his house is going to smoke more than the man who buys his cigars from day to day. The same thing holds true in the case of quantities of easily prepared food.—Kansas City Star.

Visited in Graham.

Miss Mattie Hudgens of Maryville was the guest Sunday of her sister, Miss Hudgins of Graham. In the afternoon, Misses Gladys, Mattie and Iona Hudgens, Miss Opal Younger and Guy Hilsabeck formed a party and drove to Orrsburg.

CELEBRATES 83D BIRTHDAY

A. T. Stinson Resident of County 72 Years, Entertained Friends Yesterday.

A. T. Stinson was the guest of honor at a dinner yesterday, given at his home by his wife in celebration of his eighty-third birthday anniversary. The guests were: The Rev. and Mrs. R. C. Holliday, Mrs. A. M. Hagin, Mrs. Lafe Dawson, Mrs. Cora Fowler.

Mr. and Mrs. Stinson have been residents of Nodaway county for many years. Mr. Stinson came to Missouri from Madison county, Kentucky, when a child and in 1845 moved to Nodaway county, where he has lived since.

Mr. and Mrs. Stinson celebrated their fifty-eighth wedding anniversary a few months ago. Mrs. Stinson is 76 years old and Mr. Stinson is 82 years old.

Mr. Stinson engaged in various mercantile businesses during his career in Maryville, and for quite a period was occupied in stock raising. For about five years he was engaged in the produce business.

TEETH IN BAD CHECK LAW

New Statute Puts Proof on Giver of Worthless Paper — Heavy Penalty Provided.

Missouri's new "bad check law" went into effect last week.

This is news of the worst sort to "check kiters" for writing checks against insufficient funds becomes a very dangerous expedient.

The man who gets rid of a bill collector by handing him a worthless check at a store, the trader who attempts to get an option by depositing a valueless check, the improvident one who seeks to discount his approaching payday by the same means; all these must think before they trifle with "imprisonment for not more than one year, or by a fine of not more than $1,000 or both fine and imprisonment."

The new law puts teeth in the old statute against writing bad checks by throwing the burden of proof on the giver of the bad check.

Here is the section that will make prosecution of bad check writers not the futile thing it has been in the past:

As against the maker or drawer thereof, the making, drawing, uttering or delivering of a check, draft, or order, payment of which is refused by the drawee, shall be prima facie evidence of intent to defraud and of knowledge of insufficient funds in, or credit with, such bank or other depository, provided such maker or drawer shall not have paid the drawee thereof the amount due thereon, together with all costs and protest fees, within five days after receiving notice that such check, draft or order has not been paid by the drawee.

Formerly it was the one who was victimized who had to prove the bad intent of the giver of the check.

"CRISIS" EXCELLENT PICTURE

Missouri Scenes and Nearness of War Contrive to Make Photoplay Particularly Interesting.

A fair-sized crowd attended the production of "The Crisis," at the Empire Theatre last night. The photoplay was excellent, and really deserved more hearty support from the public. More tickets have been sold for this evening's performance, however, and a large crowd will most likely be in attendance.

The play had a particular interest for the audience because its scenes were entirely made in Missouri and because it brought home to all the realization of our nearness to war. The cast was excellent, not one weak character spoiling the effect of the various scenes. Bessie Eyton as Virginia Carvel, and Thomas Sentschi as Stephen Brice were excellent in their parts, but their work could hardly be picked out as superior to that of the persons who played the parts of Judge Whipple, Colonel Comyn Carvel and Clarence Colfax, or Abraham Lincoln. A crowded house should greet the showing of the play this evening.

Miss Reed Leaves.

Miss Georgia Reed, who is attending the Maryville Business College, left today for her home in Harris, Mo., called there by the serious illness of her brother and sister.

Art Craven and Rev. and Mrs. C. E. Green of Harmony is in Maryville today on business.

Tom Wallace went to Clearmont today on business.

SIX MORE BOYS APPLY.

Total of Farmer Students From High School Now Reaches Twenty.

Six more boys have decided to cast their lot with the farmers for the rest of the school term, according to the applications received by Supt. J. M. McDonald today. This brings the total up to twenty boys. Most of the boys have already found work.

The ones who applied today are: Gerald Hall, John W. Mason, Jay Puckett, Gleason Womack, Lynn Auten and Donald Davenport.

Allen Funeral Tomorrow.

Funeral services for Mrs. John Allen of Ravenwood, who died yesterday morning, following a several weeks' illness of dropsy, will be held at 2 o'clock tomorrow afternoon at the Christian church conducted by the Rev. Mr. Hunt, pastor of the church.

Mrs. Allen was 65 years old and is survived by her husband and several children.

Hester Still Funeral.

Funeral services for Hester Still, the little daughter of Mr. and Mrs. Morgan Still, who died yesterday afternoon at her home, will be held at 3 o'clock this afternoon at the residence, conducted by the Rev. R. C. Holliday. Burial will be in the Perryville cemetery, southeast of Arkoe.

Captain G. W. Smith of Kansas is visiting at the home of Mr. and Mrs. W. A. Townsend. Mrs. S. M. Smith and little son, George, of St. Joseph, is also the guest of Mr. and Mrs. Townsend and Mr. and Mrs. Ed Godsey.

MISSOURI OPENS SEASON.

University Nine Takes 9 Games from Southern and Conference Teams.

With a record of nine straight victories, the baseball team of the University of Missouri has opened what will probably be one of its most successful seasons. On the southern trip during the Easter holidays, the team defeated the University of Arkansas, Kendall College, Tulsa., Okla., Oklahoma A and M., and the Kansas Aggies, returning to Columbia with seven victories. Since that time, the team has twice defeated the Iowa Farmers in close contest.

Miss Lyle Coming Home.

Miss Floy Lyle who has been teaching in the government schools in Porto Rico, sailed Saturday for New York City, and expects to arrive in Maryville the latter part of this week. Miss Lyle is a daughter of Mr. and Mrs. Robert Lyle, living south of Maryville, and for the last two years has been teaching in the Porto Rico schools. She has given up her position.

Miss Growney to Maryville.

Miss Mae Growney, who has been teaching in the public schools of Hunnewell, Mo., arrived in Maryville Saturday night and will spend the summer months here.

Prof. A. B. Goodrich of the Guilford High school will attend summer school at Warrensburg Normal school.

Maurice White of Guilford will attend the summer term of school at the Maryville Normal.

W. A. BERG HONORED.

Chosen Vice-President of Aberdeen-Angus Breeders' Assn—Banquet.

W. A. Berg of Parnell was elected vice-president of the Missouri Aberdeen-Angus Breeders' association at a meeting held in St. Joseph yesterday. A banquet was held by the association at the St. Charles hotel in that city last evening and the following from this county attended: Omer Catterson, Hal T. Hooker, and E. S. Shupe of Maryville; J. C. Fryar of Ravenwood; W. A. Berg, Leo Berg, Miss Marie Berg, of Parnell and Miss Faye Herndon of Maryville.

Graham M. E. Church Notes.

UNION PACIFIC

GARDENS ON R. R. TRACK

Burlington Decides to Allow Employes to Use Right-of-Way For Cultivation.

Potato patches and truck gardens will line the tracks of the Burlington railroad system and the employes of that road will thereby reduce the high cost of living and relieve the strain on the national food situation as a result of a new move by that road to increase production.

All station agents of the road have been authorized to allot the right-of-way and unused portions of station ground to employes and others for garden patches and the argicultural department of the road has undertaken to advise all who apply in the best methods of growing vegetables.

Employes are to be given preference in the allotment, althought the applications of others will be considered. The land is to be loaned without cost to the individual.

The following notice is being posted in the stations all over the system calling attention to the offer:

Grow a garden on the right-of-way.

The company gives the land free of charge.

Use your spare time and our idle land to produce food. It will be needed.

Employes will be given preference.

Others may avail themselves of land not wanted by employes.

Begin now—select a garden spot.

Make application to the station agent or section foreman for your selected tract.

As soon as a tract has been assigned to you, start preparing the soil at once.

Manure the land if possible.

Plow or spade it deep.

Make the seed bed fine and firm.

Plant mostly vegetables that can be kept for winter use, such as potatoes, beans, onions, carrots, parsnips, and turnips.

Cultivate and hoe thoroughly. Kill the weeds. Keep surface soil loose.

Grow your own food stuffs. Cut down your living expense. Increase supplies of food. In this crisis your help will be needed.

H. W. Weber Back.

H. W. Weber, formerly with Pearson's Pharmacy, has returned to his work and will have charge of the rug department. Mr. Weber left Maryville last June to travel for the United States Rubber company.

Attending the Show.

G. W. Yantis and Theodore Robinson motored to St. Joseph yesterday afternoon and attended "The Passing Show of 1916," in the evening.

Charley, Tom and Don Groves and Billy Bohart of Maitland are among the out-of-town people in Maryville today.

Some Hints to Guide You In the Clean Up Campaign

HERE are some hints for clean up week: Carpets, rugs and mattings should all be taken up and thoroughly cleaned and the floors and woodwork scrubbed. Soap, hot water and a little washing soda and the scrub brush are the howitzers which successfully can combat the common enemy—dust. Invade every hiding place in the kitchen where filth may accumulate. Plug up the rat and mice holes; putty and paint the cracks where vermin may propagate.

The cellar should receive a special cleaning.

A fresh coat of whitewash applied to the walls will add freshness and brightness to its appearance. Inspect the plumbing and keep the pipes clear of rubbish heaps. Notify the local department of health of leaks from neighboring premises which are injuring your property and endangering the health of your family.

Gather all the tin cans, discarded and broken bottles and boxes from the back yard and alley. Pull up the weeds and prepare the soil for the growth of flowers, plants and vegetables. The humblest home may be made attractive by a garden display.

Do not throw the collected waste into the back alley or on to vacant lots, to be scattered by the wind. Put all the refuse in covered receptacles and then place these near the street curb on the regular collecting days to be gathered and carted away.

Mr. and Mrs. W. E. Bloomfield of Orrsburg were in Maryville on business yesterday.

Powers' Entertain.

Mr. and Mrs. Will Powers of Parnell entertained at dinner Sunday. Their guests were: Mr. and Mrs. Jim Powers and family, Mr. and Mrs. Tom Powers and family and Mr. and Mrs. William Robinson and family.

For Miss Anna Phelan.

The Women's Catholic Order of Forresters held their regular meeting Saturday afternoon. After the business meeting refreshments were served at Reuillards in honor of Miss Anna Phelan, High Trustee of Chicago, who was the guest of Mrs. K. C. Cummins.

Ferguson's Entertain.

Mr. and Mrs. Chester Ferguson were host and hostess at a 12 o'clock dinner given at their home Sunday. Their guests were: Mr. and Mrs. Allen Haller, Mr. and Mrs. Ray McDowell, Mr. and Mrs. Ed Cummins, Mabel Howard, and Robert Patterson and Forrest McDowell.

Rebekah Lodge Meets.

The Rebekah Lodge of Parnell met last Friday night and two members were taken in. They were Mr. and Mrs. John Overman. Those present at the meeting were: Mrs. Margaret Swain, Mrs. Golda Wilson, Mrs. Mat Frawley, Mrs. Hilda Kidler, Mrs. Betty Beekman, Mrs. Flora Findley, Mrs. Oletha Dixon, Mrs. Sadie Coouer, Mrs. L. C. Gooden, Miss Dorothy Stingley and Miss Emma Collins.

Miss Thompson, Hostess.

Miss Lora Thompson entertained with a slumber party Saturday night at the home of her parents, Mr. and Mrs. J. L. Thompson, one mile north of Guilford, in honor of her sister, Miss Alice and Miss Laveta McClannahan, the two girl graduates of the High school. Only the members of the F. and L. K. club were present. They were: Misses Ruby Ellis, Ruby Davis, Bernice Hildebrant, Edith Anderson, the honor guest and the hostess.

Entertain With Party.

The 1916 graduates of the Guilford High school entertained the 1917 graduates with a party at the school building on Friday night, April 19. Various games were played and refreshments were served at Lee's cafe. Those present were: Misses Ruby Ellis, Ruby Davis, Lora Thompson, Bernice Hildebrant, Edith Anderson, Iva Kershaw, Cleta Rasco, Alice Thompson, Laveta McClannahan; John Ham, Bernard Richards, Orvis Wallace, Cleo Richards, Harvey Lucas, Lloyd McClintock, Glenn Anderson and Prof. A. B. Goodrich.

Mission Circle Meets.

The Mission Circle of the Christian church met Saturday afternoon at the home of Mrs. Fred P. Robinson with Mrs. Robinson, Mrs. Fred Newlon and Miss Ella Hazelrigg as hostesses. Miss Fannie Hope was the leader for the afternoon. A splendid program was given. Mrs. L. G. Crossan pleased the guest with a solo, following was a paper on "World Missions and World Peace," by Mrs. Dale Bellows. The Bible study was a lesson from Psalms led by Mrs. R. P. Hosmer. Mrs. R. P. Moore talked on "The Cry of the Children of the World," Mrs. Fred Robinson sang a solo and Current Missionary Events were discussed by all present. During the business session plans were made for the spring rummage sale. After the business session was the social hour and refreshments.

Glendale School Report.

Following is the term report of the Glendale school district No. 49: Total enrollment for the term 25; number attending every day, 11. They are as follows: Ermina Scott, Pauline Loch, Carl Scott, Harold Houston, Gracie Ulmer, Hazel Scott, Alta Ulmer, Lois King, Raymond Houston, Elma Scott and Lowell Gray. The average daily attendance for the term 24; number of cases of tardiness 0. The pupils enrolled are: Ray Ulmer, Ermina Scott, Phyllis Gray, Merrill Morris, Lesta Spangler, Forest Ulmer, Helen Ulmer, Edith Spangler, Pauline Loch, Carl Scott, John Gray, Harold Houston, Irene Gray, Gracie Ulmer, Hazel Scott, Alta Ulmer, Mureill Scott, Lela Buzzard, Lois King, Loren Buzzard, Lorance Gray, Raymond Houston, Vinnie Stevens, Elma Scott and Lowell Gray. A. M. Burch, teacher.

For Miss Opal Hilsabeck.

The members of the Harmony High school gave a farewell surprise party Saturday night at the home of Mr. and Mrs. Charley Hilsabeck in honor of their daughter, Miss Opal, who leaves soon with her parents for North Dakota, where they will make their home. Various games were played and light refreshments were served by Mrs. Hilsabeck, assisted by Miss Ruth Stingley. The following guests were present. Misses Leta Hanez, Ruth Stingley, Etta Birkenholtz, Estella Lawson, Mary Marshall, Charlotte Green, Vida and Iris Heflin, Marie Lewis, Bernice Holt, Hazel Cox, Ella Farrell, Lois Bush, Ilene Swope, Zoe Monroe; Morrison Lawson, Wilbur Cox, Everette Porter, Vilas and Floren Porter, Carl Kessler, Glen Stingley, Ralph Kessler, George K. Lewis, Howard Van Nelson, Martin and Thomas Ferrell, Owen Holt, John Charlton, Willis Parent, Lee Barton, Eugene Florea, D. Treece, Glen and Blaine Ulmer, Jack Hilsabeck, Bluford Heflin, Henry Bush, and Mr. and Mrs. Otis McCall.

Eastern Star Meeting.

The Eastern Star Chapter will hold their regular meeting tonight.

Called Meeting of the W. C. T. U.

The W. C. T. U. will meet at 2.30 o'clock Thursday afternoon at the First M. E. church to select delegates to the W. C. T. U. convention at Burlington Junction on May 8. All members are urged to attend. Miss Rowena Shaner, vice-president of the state organization, will be present.

Children in Marshmallow Toast.

A number of children of Parnell enjoyed a marshmallow toast, last night. Those present were: Vivian Stingley, Katherine Waske, Bess Welch, Gertrude Logan, Troy Fronk, Merlin Millikan, Cecil Hall, Lawrence and Paul Foland, George and Louie Waske and Elva Cox.

Parnell Girls Entertain.

The girls of the Junior class of the Parnell High school entertained last night with a weiner roast west of Parnell in honor of Miss Mary Sisson. Those present were: Misses Mildred Hall, Mary Sisson, Clara Wack, Cecil and Lucile Collins, Bernice Brummett, Inez Surplus, Quete Morgan, Margie and Helen Welch.

Oxford School Closes.

Miss Victoria Adams, closed a very successful term of school last Friday at the Oxford school near Parnell. At the noon hour a delightful dinner was served by the patrons of the school after which a program of songs, recitations and dialogues was given by the pupils and teacher. After the program was a ciphering match in which all took part. Miss Adams has been re-elected for another year.

O'Connor-Lynch Wedding.

Miss Julia O'Connor, daughter of Mr. and Mrs. Dennis O'Connor of Conception Junction, and John Lynch also of Conception Junction were married at 8 o'clock this morning at the Abbey church, the Rev. Father Placidus officiating.

Miss Marie Lynch of St. Joseph, sister of the groom, and John Farnan cousin of the bride, attended the bridal couple.

The bride was prettily gowned in white crepe de chine with trimmings of lace and slippers and gloves to match. Her tulle veil was caught to her hair with orange blossoms and she carried an arm bouquet of brides roses. The bridesmaid wore a white voile dress with a gold stripe and wore a yellow picture hat trimmed with forget-me-nots and gold daisies.

Immediately after the ceremony a wedding breakfast was served to the bridal party. At the noon hour an elaborate dinner was served to about sixty friends and relatives of both parties.

Mr. and Mrs. Lynch left this afternoon in a car for St. Joseph and from there they will go to Kansas City for a few days. They will make their home on Mr. Lynch's farm near Conception.

Save Young Animals.

Save the heifer calves and the brood sows.

That advice is being given by the packers to the farmers of the corn belt.

More live stock is needed. The way to get it, say the packing house people, is to keep the breeding stock.

A movement is on foot now to organize all the packers so they will discourage the slaughter of young animals and breeding animals, and the propaganda for the conservation and the increase in meat supply is one of the important questions to be taken up at the food convention conference which is to be held in St. Joseph May 2.

TWO NORWEGIAN SHIPS SUNK.

Special to The Democrat-Forum.

Christiania, April 24.—Two Norwegian steamers have been sunk by submarines but the crews were saved.

MODIFY LIQUOR REGULATIONS.

Special to The Democrat-Forum.

London, April 24.—Regulations covering the sale of alcoholic drinks in Russia have been modified, says a Petrograd dispatch.

That all may have home-grown sweet potatoes at least eight months of the year is the contention of a Forest City farmer, and he has proved the feasibility of his plan by having fresh sweet potatoes as late as April 10. His plan is to sun-dry the potatoes as soon as they are dug. For a week of bright weather they are exposed to the sun throughout the day and covered from frost and dews at night. When thoroughly dry they may be handled as roughly as Irish potatoes and, if stored in a dry place, keep almost as well.

Guy Bent moved to 422 North Walnut street yesterday. Mr. Bent has purchased the property.

C. G. McMillen of Pickering, is in Maryville today.

SPAIN SENDS NOTE TO GERMANY.

Special to The Democrat-Forum.

Madrid, April 24.—Spain has sent another note to Germany on the submarine question. No hint as to the contents is given.

KAISER'S SON REPORTED DEAD.

Special to The Democrat-Forum.

London, April 24.—A Copenhaged dispatch to the Chronicle today reports that Prince Eitel Frederick, second son of the Kaiser is dead from typhus. The report is unconfirmed.

Chalmers 7-Passenger Touring Car—Price $1350 Detroit

Unequalled Performance
By Chalmers 7-Passenger—Sets All Motorists Talking

Motorists everywhere are talking of the startling feat performed by a Chalmers 7-passenger touring car in Chicago. Something new has been discovered in motor-car achievements. Something never before attempted, never before done by an automobile. To set a mark of 586.8 miles through Chicago's busy streets was a feat in itself. But to do it all on high gear. To make it a non-stop motor run. To carry four passengers. And to show 14 miles to the gallon of fuel. Adds the cap sheaf of surprise.

When Chalmers started out to attempt the feat they said: "Let us make this complete. Let us omit nothing that can add to the difficulty of performance. Let us leave nothing for the future." The Contest Board of the American Automobile Association certifies that these statements are true. It has set its seal upon the facts. You can have this flexibility, this economy, this consistent, solid satisfaction in your car. We have on our show-room floor the twin brother of the car that did this. It was a standard, stock 7-passenger Chalmers in all details.

Come and see the car. Come and learn WHY this unheard of feat was possible. Come and drive the car yourself. Feel the charm of a Chalmers.

Touring Car, 7-passenger	$1350	Touring Sedan, 7-passenger	$1850	Limousine, 7-passenger	$2550

Mr. and Mrs. John Thompson and family of Bedison entertained at dinner Sunday. Their guests were, Mr. and Mrs. George Wolfert and family of Barnard and Mr. and Mrs. Erb Mozingo and family of Bedison.

It seems no matter when or who, we all must have some bugaboo, held up before us day and night, to make us do the thing that's right. When we are small our truthful parents will frighten little Liz and Clarence, and tell them if they do not sleep, or if they do not cease to weep, the Bogie man will come and get them, and with grave woes he will beset them. Soon Clarence and his sister, Liz, find out there is no truth in this; it doesn't help to make them good, so they just keep on sawing wood, but in their minds it plants a doubt of many things theye're told about. When they grow up a little more they're told the Badman's at the door, and when they reached a grown state they're told the Devil lies in wait to get them if they don't receive a list of things which you believe; they're seldom taught that they will lose the best in life if they refuse to do a thing because it's right, and not through fear of coming blight.—Mrs. O. W. Curry in Bethany Republican.

Do you want to rent that house of yours?
Then paint it.
Paint preserves the life of your property.
Tenants are attracted.

Thrift Gardens In a Clean Up Campaign Reduce Living Cost

Thrift gardens will be the innovation and one of the dominant features of the fifth annual crusade of the national clean up and paint up campaign bureau, which is being directed from the national headquarters, Security building, St. Louis.

The thrift garden idea, which means the utilizing of the back yards, vacant lots and waste grounds of a community, was originated by Allen W. Clark, chairman and founder of the national clean up and paint up campaign, with a view of directing the attention of the people of the towns and cities to an immediate and effective way of reducing the high cost of living. A thrift garden in the back yard 25 by 50 feet will—at a cost not exceeding $2 for best seeds and $5 for fertilizer—if properly cultivated very materially reduce the cost of living.

It will supply a family of six with fresh vegetables throughout the season.

It can be made to yield produce, in cash value, from $50 to $100 per season.

It will provide wholesome and profitable exercise of mind and body.

It will make a more contented people.

It will teach preparedness and economy.

It will conserve the resources of the country.

From a carload of feeder steers shipped into Mound City last week one proved unusually sociable says the News-Jeffersonian, for he tried to make calls at each door as he passed up State street. He entered Riffe's hardware store and was promptly ejected, after which he went into the White House barber shop again leaving by request, but without causing any damage.

Ten years' experience with Single Comb Brown Leghorns have proven that they are the kind that lay and pay.

Be Sure to Put Brains Behind Your Brooms

TO make your town worth while you must put brains behind your brooms. You must plan clearly with thoughts beyond present conditions. You must build your civic house with the future of your children and your children's children clearly before you. You must do hard things now in order that more abounding prosperity and civilization may come after you. The essentials of town planning are:

Cleanliness.
Godliness.
Industries.
Care for the children.
Cleanliness always comes first.
Clean up!
Get ready for clean up week.

THE THREE D'S

Dirt
Disease
Death

Numerous Benefits Can Be Obtained By Cleaning Up

"Clean up week" depends for its success upon the hearty co-operation of every citizen, and if it be given ungrudgingly the town will be the better for it in health, in money and attractiveness. City officials can do much in seeing that the street cleaners do really clean, that garbage collectors do their task thoroughly and that public buildings, squares and parks shall be an example of neatness. But what the official can do will be but a drop in the bucket compared with what should be done. It is the corners that are out of sight that need most attention—the courts, cellars and back yards—and over these the municipality has no control. It depends, therefore, upon the householder to do the major part in the elimination of rubbish, the overhauling of the things that collect dust and filth, and the whole process that goes to make up the real town beautiful.

Dirt of any sort means multiplication of disease, and disease means economic waste. Therefore "clean up week" will mean business prudence and enterprise. Health means wealth and progress.

Make a Thrift Garden

T has been estimated by authorities on gardening and production that a back yard thrift garden, 25 by 50 feet, will supply a family of six with an abundance of fresh vegetables, sufficient to supply all needs through the season, if judiciously planted and given the proper care and attention.

Ben Cooper of Gaynor City left today for Los Angeles, Calif.

Lester Ellis of Guilford is in Maryville on business today.

W. G. Sayler of Burlington Junction was in Maryville yesterday on business.

Kansas City Stock Letter.

Kansas City Stock Yards, April 23.—Cattle receipts were 10,000 and the market was slow and barely steady, top $12.25. Tog receipts were 12,000, market 15c to 20c lower, top $15.80. Sheep and lambs today 3,100, market 10c higher, wooled lambs $15.85, a new high record, clipped lambs $12.60.

Beef Cattle.

Receipts were rather liberal at all markets, due to alarm over the position of the Government with respect to price fixing, coupled with the high cost of feed. Packers had a slight advantage, the market 25c to 50c under a week ago, even on good to choice steers. Some natives weighing 1,100 lbs. sold at $12.05, but twenty or thirty loads of pulp steers sold at $12.00 to $12.25. Middle class steers sold at $10.50 to $11.50, and light weight common steers to killers at $8.50 to $9.75. Five loads of Utah pulp fed steers sold at $11.00, Utah cows $9.35. About 60 loads of Colorado and Nebraska pulp steers sold at $11.25 to $12.25, pulp cows and bulls each up to $10.00. Five cars of mixed quarantine cattle included cows up to $9.50, steers $7.50 to $9.75, calves $7.50 to $11.00, bulls $7.50 to $8.25, everything light weight and only fair to good. Best native cows went up to $10.50, veals $13.25, bulls $10.25.

Stockers and Feeders.

Sales today were steady with the decline of 15 to 35 cents effective last half of last week. Stock steers sold at $8.00 to $10.75 and feeding steers at $9.50 to $11.40, a four-car drove bringing the latter price, highest on record, to an Illinois man. Stock steers at $8.35 on Saturday, 700 lbs. average, were an attractive purchase by an Iowa man. Breeding heifers and cows sell at $7.00 to $10.50, about $1.00 lower than 10 days ago.

Hogs.

Continued liberal receipts at Chicago to spread weakness around the market circle, although prices here on best hogs are practically as high as in Chicago, top here today $11.80, being only a nickel under Chicago. Best medium weights sell 10 cents under best heavy weights, and lights are 25 cents farther down the line, $15.70 and $15.45, respectively, today. A large number of middle and low class light hogs sell down around $15.00, some a quarter more, some a quarter less. This item causes a rather wide spread in the range of bulk of sales, as compared with markets where the hogs received are more even, of heavier weights and better average finish.

Sheep and Lambs.

The only department of the live stock trade to show firm prices is the sheep house, where light receipts keep buyers on the defensive. Sales were 10 cents higher today, yearling lambs from Northern Colorado at $15.85, a new high record, bulk of lambs $15.50 to $15.75, clipped lambs up to $12.60, ewes worth $13.00, some 40 lb. brusher Angoras today at $9.00, a new high price in that class. Light receipts and higher prices are forecasted.

Mrs. W. I. Carter of Guilford is quit ill of typhoid fever.
